Praise for Boomer or Bust

“This book is filled with critically important information and is an essential primer regarding the issues facing our generation. It will be required reading for all of our staff as well as recommended reading for our sandwich generation clients.”

—*Joanne R. Wooldridge, R.N., Geriatric Care Manager
Clinical Director, Massachusetts General PrimeCare*

“Read this book. It is a great addition to your personal financial arsenal, worth keeping on hand.”

—*Rollye James, nationally syndicated radio talk show host*

“As usual, Steve Weisman has the right slant on problems that others just glance over. He takes on all of the government sacred cows and deals with the red tape and regulations that are impossible to understand without help. So here is the help you need. Read this book and get started on the way to helping yourself.”

—*Doug Stephan, host of the syndicated Good Day radio program, heard in more than 400 markets nationwide*
